BRIEFING NOTE

We would like to make you aware that we are currently monitoring some Anti Vax protestors in and around Lambeth, Southwark and Westminster. We would like to reassure you that there is a policing plan in place which is being resourced centrally. If you have any concerns about the protest group's activity, should they attend your business premises please dial 999. The target premises are mainly Key Health related locations.

Please do contact my staff office or me if you have any questions or wish to discuss any further aspect of this incident with me.
